

Allow a Natural Death/Do Not Resuscitate Workshop

Course Description

This interactive workshop aims to raise awareness and develop the knowledge, skills and attitude of **GPs & experienced registered nurses** who are likely to be facilitating conversations regarding resuscitation. This workshop aims to enable you to complete the relevant documentation competently.

Content includes:

- What is meant by Allow A Natural Death (AAND)
- Aims and principles of AAND - including the legal aspects (Mental Capacity Act) and documentation
- Roles and responsibilities
- Effective and sensitive communication skills

Learning Outcome

By the end of the workshop you will be able to:-

- Facilitate conversations with patients and their families around the decision of completing an Allow a Natural Death form and be confident in completing the form.
- Describe the legal and ethical aspects of decision making to inform discussions.
- Be able to provide patients and families clear rationale for decisions made and be able to identify and overcome barriers within conversations.
