

## **Advance Care Planning Workshop**

### **Course Description**

This interactive workshop aims to provide core knowledge for GP's and Registered Nurses working within a community role or Nursing Home setting. It aims to explore the issues and challenges relating to the practical application of person centred palliative care towards the end of life.

Contents include:

- What is meant by Advance Care Planning (ACP)
- Aims and principles of ACP - including documentation and legal aspects
- Roles and responsibilities

### **Learning Outcome**

By the end of the workshop you will be able to :-

- Describe what is meant by Advance Care Planning
- Examine your own role and responsibilities around Advance care planning
- Facilitate conversations around ACP with patients and families.
