Aim of the Conference

This conference will provide the delegate with relevant evidence based information to enhance clinical practice in the care of patients with MND. Presenters from a wide range of specialist disciplines will share clinical expertise. This will enhance multi-disciplinary working and improve outcomes for people affected by MND in line with NICE guidelines. In addition it will provide a valuable opportunity for networking and discussion.

Who should attend?

All health, allied health and social care professionals with an interest in MND working within Acute and Primary Care settings, community teams, palliative care, nursing and care homes.

MNDA East Dorset & Hants have kindly provided a subsidy of £20pp for the first 50 places. The fee for the Conference is £60 for the first 50 applicants (which includes lunch and refreshments). Further applicants will be invoiced the full fee of £80.

To register for this Conference please complete and return the registration form with your payment. If you would like further information, please contact Lois Marter, Palliative Care Secretary at the Macmillan Unit in Christchurch either by telephone on 01202 705470 by e-mail: mmu.education@rbch.nhs.uk
